TO SCORE THE GAME

440.1 Scoring is used by Athena and Classic for regular league play. Scoring is used by Recreation at the discretion of the Recreation Committee. Academy does not record scores for regular league play at U-10 and U-11. Scoring may be necessary for U-12 Academy in order to seed teams.

440.2 Each team is required to electronically submit their game score into the ADG Scheduling / Gaming system within 72 hours of the match. Electronic game scoring for Athena and Classic teams consists of the following information: score by team, yellow / red cards for all players, and coach ejections for both teams. Electronic game scoring for Recreation Inter-Affiliate Scheduled games consists of the following information: yellow / red cards for all players, and coach ejections for both teams. Additional information can be supplied in the comments section and with the required Coach Incident Report outlined in Rule 730.1a.

440.2a After review of all game misconduct reports and any ruling by the Discipline & Protest Committee, the electronic scheduling / scoring system will be updated to reflect any sanctions levied to a team official or player.
