

How to print game day lineup / roster sheet

To print the roster, you must have a Team Manager or Head Coach or Assistant Coach Account on the Affinity registration / scheduling system. If you do not have an account, please contact your league registrar for the assigning of account login credentials.

Once your account is established, you can login at either the ADG website of your league or the main Georgia Soccer ADG website. If you do not have your league website information, feel free to login at:
gs.affinitysoccer.com

Once logged in you will be on your MY ACCOUNT page. Your MY ACCOUNT page contains all personal information on you and any family members that are associated with your login.

AT the bottom of your MY ACCOUNT page, you will see the below menu bar. All information regarding any teams that you are associated with can be found under the TEAMS tab. Any information regarding any teams that you are associated with and that team is scheduled via a Georgia Soccer intra state schedule such as Athena, Classic and or our Rec Interleague scheduling program can be found under the TEAMS, TOURNAMENT & SCHEDULE APPS tab.

To access your schedule, the games scoring process select the below

▶ [Schedules/Game Scoring](#)

Once the above tab is selected, your schedule for the current season will present itself. Three days prior to any give game, a PRINT ROSTER button will appear to the left of all game information as shown below.
